## Sophia Kramer,

owner and founder of the shoppe, whips up traditional American cupcakes as well as mouthwatering French pastries mastered during her time studying the Art of French Pastry in the South of France.

## Patisserie Sophie

is a bakery and cupcake café located in downtown San Luis Obispo, California.

The bakery provides gourmet cupcakes and French pastries for window shoppers and those that find themselves in downtown SLO. It also specializes in upscale cakes and cupcakes made per consultation. Any event, whether it be birthdays, anniversaries, weddings, baby showers or even a regular Tuesday, Patisserie Sophie is the perfect place to satisfy any sweet tooth. It's a magical place where customers can enjoy a buttery, authentic croissant made with only ingredients imported from France, while also picking up a dozen Oreo Cookie Explosion cupcakes for a birthday party later that day. Authentic macarons line the store windows, with detailed specialty cakes as the focus. The appearance and atmosphere of the shop is similar to that of a classic French café, very airy and open with European charm. Neutral colors with accents of soft baby pink fill the store to create a playful and whimsical mood that transports the customers to a different land. This unique and mouthwatering spot is perfect for any day of the year, any time of day and for all occasions.
